Esteemed Sir/Madam,

It is very sorry to say that Autumn Breaks of KV teachers were supposed to start from 09/10/2021 but KVS has not issued any single line regarding the transfer list till now. As per the Tentative Calendar of activities for Annual Transfer – 2021 it was scheduled from 6th to 8th Oct 2021 but yet all in vain.

In the last two years, KV teachers are going through crucial times due to Covid-19 but KVS authorities are never concerned for the welfare of Teachers. It is very pity to see the behaviour of officers of such a reputed organization towards teachers.

So, We are requesting to please issue the transfer orders of 2021 without any delay or else teachers will be provoked to initiate the agitation or move for a legal proceeding. And if it happens, this will be the failure of KVS Authorities and a matter of Shame for honourable reputed Organisation.

With Regards,

M. B. Agrawal
